

Beyond Social Skills
Future proof your child

ABOUT US:

Beyond Multidiscipline Practice offers comprehensive behavioural health services designed to support children and families across a range of needs. The social skills programs help children build communication, emotional regulation and social skills in a supportive, structured setting. Individual therapy addresses personal, emotional and behavioural challenges. In addition, the practice provides specialized forensic services, delivering objective evaluations and expert insight for legal and court-related matters.

Beyond Social Skills
Future proof your child

OOR ONS:

Beyond Multidissiplinêre Praktyk bied omvattende dienste wat ontwerp is om kinders en gesinne oor 'n wye reeks behoeftes te ondersteun. Die sosiale vaardigheidsprogramme help kinders om kommunikasie-, emosionele regulering- en sosialisering in 'n ondersteunende, gestruktureerde omgewing te ontwikkel. Individuele terapie fokus op persoonlike-, emosionele- en gedragsuitdagings. Hierdie praktyk spesialiseer ook in forensiese dienste vir die doel van hofverwante aangeleenthede.
